THE PROPERTY

The property was built during the 1930s and a more recent rear extension has created a fabulous open plan kitchen/dining room with double glazed doors spilling out onto the rear garden. The two Velux windows make this a light and airy space to sit and dine or work from home. Within the kitchen area is a range of modern units with integrated appliances including a dishwasher. The sitting room enjoys a front aspect over the garden emphasised by the wide bay window. On the first floor are three bedrooms; the front aspect main bedroom has a range of built-in wardrobes, bedroom two is a double and overlooks the rear garden and bedroom three is a single room that could be used as a study.

THE GROUNDS

A long drive providing parking for at least three cars runs along the side of the house and leads to the detached garage. The front garden has a small lawn and established flower and shrub borders and the excellent sized rear garden is well maintained with a patio area adjoining the rear of the house and another further down the garden. There are lawns and outbuildings including a store to the rear of the garage, detached workshop/studio and large greenhouse.

SITUATION

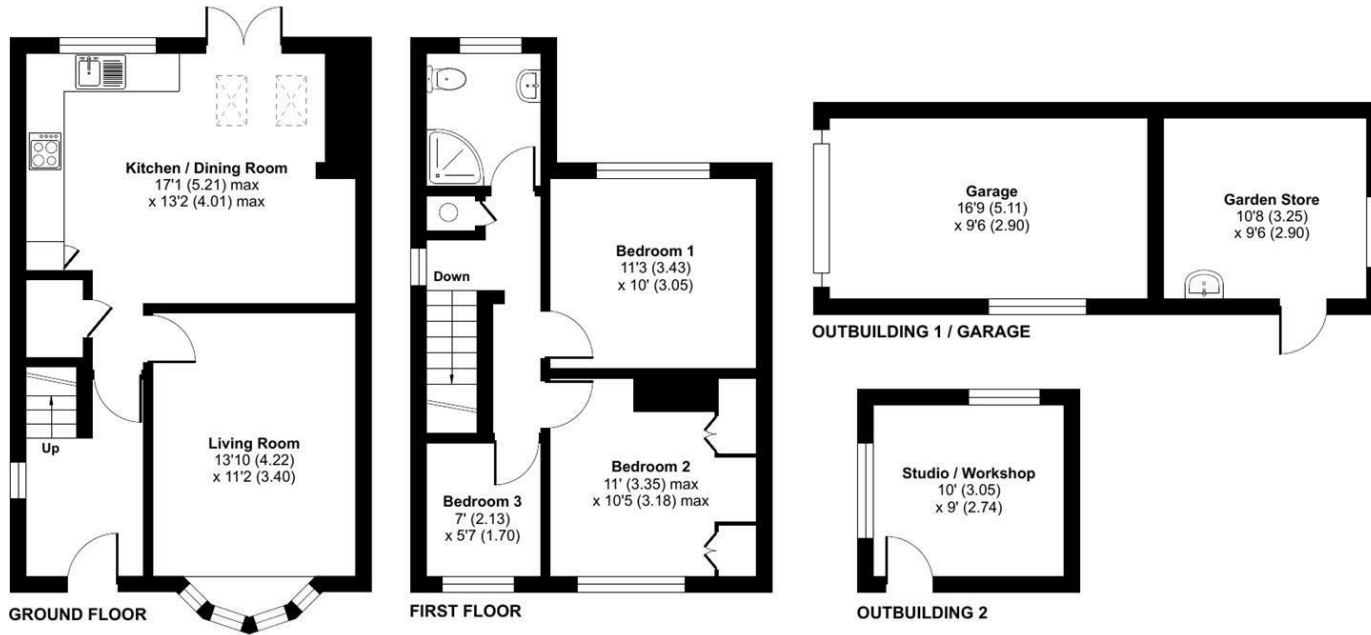

Surrounded by beautiful countryside on the Surrey/West Sussex border and within the South Downs National Park, Fernhurst offers day to day amenities as well as the opportunity for scenic walks and riding. The Red Lion, a popular public house overlooks the village green and close by are the Kings Arms and Duke of Cumberland at Henley.
