THE PROPERTY

Fernwood and Foxtrot are superb high specification brand new properties constructed by CY Homes in Autumn 2024, both properties have the same layout with 2650 sq ft of accommodation over two floors but have attractive individual Tudor style external elevations. There is underfloor heating throughout the ground floor, radiator heating on the first floor and bedrooms both powered by an air source heat pump and roof solar panels. The spacious reception hall has contemporary style light grey wood effect tiles in a herringbone design, this leads you through to the stunning open plan kitchen/dining/family room with two sets of bifold doors. The beautifully sleek kitchen has a central island, quartz worktop and siemens integrated appliances, which is complimented by a matching utility room. Also on the ground floor is the study and a light, bay fronted living room which has a fire place fitted with a chesneys wood burner. There are four spacious double bedrooms on the first floor with bedroom one having a dramatic double height oak framed balcony, dressing room and ensuite bath/shower room. Bedroom two sits next to the family bath/shower room and bedroom three is an ideal guest room and another ensuite shower room.

THE GROUNDS

The third acre plots have the advantage of being perfectly level with attractive landscaped gardens and grounds. The herringbone design brick paved driveway provide parking and turning space and are complimented by the double car barn and there is also electric charging points. The rear garden has an expansive grey indian sandstone paved terraced, newly turfed lawns, established screening hedges and boundaries, all enjoying a sunny southerly aspect.
