### THE PROPERTY

Collards Gate is a small development of just 9 houses constructed in the late 1990's. This select gated development is located in a peaceful setting yet benefits from an incredibly convenient position just a short walk from Haslemere High Street and pretty town centre. The house sits in a discreet spot in the development tucked away in the corner and was originally designed as a 3 bedroom house, the property now has 2 good sized double bedrooms, both with built in wardrobes with a rear garden aspect. There is a spacious bath/shower room and double aspect study area which could be turned back into a 3rd bedroom. On the ground floor there is a cloakroom off the hall, double aspect kitchen which has a range of integrated appliances, at the rear there is a full width double aspect lounge/dining room with double doors set into a bay leading to the pretty, low maintenance rear garden. The property has no onward chain, double glazing, gas central heating and brand new carpets.

## THE GROUNDS

The development is approached through a secure electric gate which has an entry phone system and manual keypad. There are a number of car parking spaces for both residents and visitors with No.4 set in the corner, it is approached by its paved front footpath with attractive flower and shrub borders either side. There is gated and then paved access into the rear garden, which is a slightly larger corner plot as a paved terrace, attractive raised flower and shrub border, stepping stone path and garden shed located at the side of the house. In addition, there are community gardens, free to access for residents and back on to National Trust land.

## SITUATION

Haslemere Town Centre provides a comprehensive range of shops and boutiques including Boots, Space NK and WH Smith, restaurants, public houses and coffee bars, together with Waitrose.
